Re: Perry Estate Limestone Quarry Project -
S/039/008

Dear Mr. MacKay:

We have reviewed a copy of your Notice of intention to Commence Small Mining Operations. We received a copy of the notice from the Division of Oil, Gas and Mining on August 16, 1994.

This project is for surface mining of limestone and will involve less than 5 acres. It does not appear that the operation as described will have any water quality impacts. No permit is required for the stated activities.

If we can be of further assistance, please contact me or Mr. Lyle Stott of my staff.

Sincerely,

Kiran L. Bhayani, P.E., D.EE., Manager
Design Evaluation Section
